

Student Self-Evaluation Form

Completing the following form is required for those students expecting to earn credit for this course. Each student is expected to self-report honestly. The instructor will compare self-reported data with kept records or perceptions of attendance, performance and engagement, and may use this form in making final grade decisions. Discrepancies or questionable responses will result in further communication and discussion. Please refer to the course syllabus and address to the instructor any questions you might have regarding this form before submitting it. Please submit this completed form as a separate file but with your final exam materials.
